

Grades 6-8
Book Report Sheet

1. Create a cover page with the following information written on it in the order that it appears. Your name and the date the book report is due.

Last name of author, first name. Title of Book. City Published: Publisher, Year.

Example: Your Name
 August 27, 2004

Caney, Steven. Invention Book. New York: Workman Publishing, 1985.

2. When and where does the story take place?

3. Tell who the main characters are (No more than 3 or 4) and brief description of each.
 - a.

 - b.

 - c.

4. On a separate sheet of paper, give a brief summary about the book from beginning to end. This summary should help me have a general idea of what the book is about without having to read it.

5. What did you like the best and the worst about this book? Explain each.

6. Would you recommend this book to others? Why or why not?

7. Staple in this order: Cover sheet, this paper, and summary.

Grade based on: Neatness, questions answered from above, and summary. **Extra credit given for typed papers.** Typed papers will be graded more strictly.
