October 03, 2008

Dear Parents,

On the school's web site (svas.netadventist.org), I have posted a weekly schedule that I hopefully will up-date every day with the assignments that the students were assigned. You will notice the blank spots, I do not give out assignments prior to the day that I assign them. Students will attempt to go ahead and have nothing to do during the day. Also, by going ahead, they risk getting the assignment wrong.

On this coming Friday our class room is going bowling. The cost is \$5.50 which will cover two games. Parents are invited. This will be for students that have all of their work done with no missing work. The time that we are going is 10-11ish.

The International Food Fair is coming up on Oct. 26. Grade 6 is responsible to help bring beverages and ice (please contact Ms. Mattison) and grades 7 and 8 are responsible for paper products. Also, 7th and 8th graders will be helping at various booths. Please see the Echoes for more information about the fair.

Sincerely,

Mr. Kripps
